On October 11, 2007 at approximately 12:30 PM. a NAVY escorted Navy Hazardous Waste truck were seen traveling West on South Roosevelt Blvd approaching the Smathers Beach area.

1. Was the escort answering a Hazardous waste call?
2. What was the Hazardous waste truck carrying or picking up?
3. What was the itinerary (coming from and going to) of the escort?
4. Was a report generated for the pickup?
5. Is there a report on the incident?

To Whom it may concern,

This request includes copies of every document related to the matter, regardless of the format in which the information is stored. If the information I am requesting is on a computer somewhere, that information stored on a computer is as much a public record as a written page in a book or stored in a filing cabinet.

If you refuse to provide this information, please advise me in writing and indicate the applicable exemption to the FOIA. Also, please state with particularity the reasons for your decision. If the exemption you are claiming only applies to a portion of the records, please delete that portion and provide photocopies of the remainder of the records.

I agree to pay the actual cost of duplication. However, if you anticipate that in order to satisfy this request, "extensive use" of information technology resources or extensive clerical or supervisory assistance will be required, please provide a written estimate and justification. I also request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

I request that these records be available by October 20, 2007. If you have any questions or need more information in order to expedite this request, please call me at 305-296-2469.
