This request includes copies of every document related to the matter, regardless of the format in which the information is stored. If the information I am requesting is on a computer somewhere, that information stored on a computer is as much a public record as a written page in a book or stored in a filing cabinet.

If you refuse to provide this information, please advise me in writing and indicate the applicable exemption to the FOIA. Also, please state with particularity the reasons for your decision. If the exemption you are claiming only applies to a portion of the records, please delete that portion and provide photocopies of the remainder of the records.
