RE: Freedom Of Information Act Request
Meeting discussing 2004 NAS Key West AICUZ Map changes.

To Whom it may concern,

I am writing to request answers to the questions listed below pursuant to the Freedom of Information Act.

1. Sometime in early or mid 2004, did a meeting take place at NAS Key West between CO Jim Scholl, Dixie Spehar, Ed Swift and an associate? (Appointment book entries or sign in sheets would be sufficient.) Can I get the exact date of that meeting?
2. Do you have an outline on what was discussed at that meeting?
3. Are there any notes on annotations from that meeting that are available to view?
4. Are there any follow up documents that were requested or distributed from either party attending that meeting?

This request includes copies of every document related to the matter, regardless of the format in which the information is stored. If the information I am requesting is on a computer somewhere, that information stored on a computer is as much a public record as a written page in a book or stored in a filing cabinet.

If you refuse to provide this information, please advise me in writing and indicate the applicable exemption to the FOIA. Also, please state with particularity the reasons for your decision. If the exemption you are claiming only applies to a portion of the records, please delete that portion and provide photocopies of the remainder of the records.

I agree to pay the actual cost of duplication. However, if you anticipate that in order to satisfy this request, "extensive use" of information technology resources or extensive clerical or supervisory assistance will be required, please provide a written estimate and justification. I also request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

I request that these records be available by July 24, 2007. If you have any questions or need more information in order to expedite this request, please call me at 305-296-2469.

Sincerely,

Paul S. Caruso
